

Leadership Development Committee Meeting
Quarry Golf Club

September 12, 2019

Welcome new members! Turner and Wyatt from our Business Influencer group; members in attendance Merideth, Nino, Scott, Jerry, Anne, Susan, Michael

Vice-Chair opening: any volunteers? Bueller, Bueller....Bueller

Thank you Wyatt for stepping up. What a great way to bring the Business members to the fold. We discussed the importance of the business partners holding leadership positions in all committees that they are part of.

Discuss past events: what worked well, what have we learned?

Use 3 panelists, not 4 in the future for time. Make sure folks know we want to do roundtable discussions in advance. We have to raise the bar each time – selling out is the goal!

What would we like to see in the future? End of January for the next event – Scott will get Merideth some dates. As soon as we have a date we will get a one-pager prepared for those who are asking for speakers/presenters to participate, additionally questions will be prepared and given to the participants in advance with schedule, etc.

Topics: for our next Leading Edge - **Sharing the Spotlight: *The Art of Leadership Development and Coaching and*** in the summer shoot for a Millennial/Young Professional topic to open up the discussion on how the young/emerging leaders can work with other generations – flip the script a bit. Potential “Put me in Coach” theme.

Potential Presenters: David Robinson, Max Lucado, Paula G. Williams, Rick Cavendar, Kenny Wilson, Becky Hammond, Brandon Logan (future focus- David Robinson, Jr. or Cory (sp) Robinson; more to come

Discuss mentoring – does it look like it will happen or should we let it go?

TABLED FOR FUTURE DISCUSSION

Other business/discussion(s):

Wyatt offered up some HR training sessions that have CEUs attached to them for our membership.

Anne offered to do a session on her leadership training experience at Harvard this summer. Targeting the under 40 crowd is important.

We discussed inactive members; Merideth will reach out via email with the assistance of Scott to get commitments from members, etc. Also at the October CEO meeting discuss the opportunities to join committees, and to get new members.
